PARENTING IN AMERICA

Offered in Haitian-Creole and Spanish

In Parenting in America, a small group of parents and caregivers meet for 2 hours a week for 12 weeks. The program includes activities, discussions, a family-style meal, and complimentary childcare.

Parents and caregivers who immigrate to the United States bring with them a wealth of parenting strengths—drawing on culture, tradition, and family experience—yet living in a multicultural setting can be challenging.

In Parenting in America, we encourage you to honor your cultural heritage while also helping you to develop new culturally responsive practices and strategies. You graduate from the program feeling empowered to face immigration challenges that affect you as an individual and as a parent—recognizing that perseverance is key to your success.
