PARENTING JOURNEY FOR FATHERS | PROGRAM

Offered in English

In Parenting Journey for Fathers, a small group of fathers and father figures meet for 2 hours a week for 12 weeks. The program includes activities, discussions, a family-style meal, and complimentary childcare.

Fathers have a lot to contribute to their child's lives. This program helps fathers and father figures improve their relationships with their children and families while becoming the men

and dads they aspire to be. Through a combination of hands-on activities and guided discussions, you will develop knowledge and skills that support you as a parent and role model. By reflecting on your own childhood, you will be able to choose what kind of father you want to be and create your own style of parenting – one that reflects your personal vision and values.

WHAT'S IN IT FOR YOU

In a supportive setting, we will work with you to uncover your inner strengths and help you achieve your goals.
