

FACILITATOR TRAINING PARENTING JOURNEY II

Parenting Journey partners with parents and human service agencies to deliver evidence-informed programming that is proven to promote family well-being.

PARENTING JOURNEY II | PROGRAM

In Parenting Journey II, a small group of parents and caregivers meet for 2 hours a week for 12 weeks. The program includes activities, discussions, a family-style meal, and complimentary childcare. *Group facilitators need not be parents themselves.*

Designed for those looking to further enhance key learnings from Parenting Journey I, this program provides an opportunity for parents and caregivers to build upon their current reality to create a positive and productive future for the entire family. This curriculum focuses on identifying and breaking free of negative behaviors, goal-setting—personally and as a family—and making plans for their family's future.
